

GSA Alliant 2

A Five Multiyear Base with Five Multiyear Option Period, Mission-Critical IT Services & Solutions GWAC

SUMMARY

A Government-Wide Acquisition Contract from GSA that can be used by any federal civilian or DoD agency to fulfill a broad range of mission-critical IT requirements.

DESCRIPTION

Contracting Agency: General Services Administration (GSA)

Contract Number: QTA0016JCA0003

Eligible Users: All Federal Civilian and DoD Agencies

The GSA Alliant 2 contract is a five multiyear base term through June 30, 2023, plus a five multiyear option period through June 30, 2028, Indefinite Delivery/Indefinite Quantity (IDIQ) contract. This master contract provides maximum flexibility in acquiring an IT services-based solution for any conceivable IT services-based requirement, driving government savings through efficiencies and improved reporting data with greater integrity while maintaining an "Anything IT Anywhere" philosophy.

The contract has been named by OMB as a best-in-class contract for IT solutions. Alliant 2 supports any and all components of an integrated IT services-based solution, including all current leading-edge technologies and any new technologies, which may emerge during the period of performance.

WHY CHOOSE US?

Sotera Defense Solutions Inc. (Sotera) is an agile, mid-tier national security technology company that delivers innovative systems, solutions and services in support of the most pressing needs of the Intelligence Community, Department of Defense, Department of Homeland Security and Federal Civilian agencies charged with ensuring the safety and security of our nation. Our 1,900 employees are committed to delivering essential IT solutions, cyber operations, data analytics, systems and software engineering and integration, and operations and maintenance services to support the Federal Enterprise Architecture, Department of Defense Enterprise Architecture and the Federal Health Architecture.

Sotera leverages more than 45 years of experience delivering technology, intelligence and engineering expertise to develop solutions that effectively address our customers' needs. We hold 23 IDIQ contracts and have the people, processes, teammates and tools to successfully manage and deliver technical solutions under Alliant 2.

PROGRAM MANAGEMENT CENTER OF EXCELLENCE

To provide Sotera customers, partners and employees with leading program resources, best practices, training and tools, an EPMO was established. Sotera's EPMO will act as the command and control center for the Alliant 2 IDIQ, providing portfolio management services and support to the Alliant 2 program manager and task order-specific project management teams. In addition, our proven Enterprise Task Order Information Management System (eTOMIS™) provides an automated and collaborative environment for contract task order operations and team management. The Sotera EPMO is designed to serve as a center of excellence in project and program management performance, enabling stronger customer engagements.
